WEST CHICAGO PARK DISTRICT

A Message from Our Director

Dear Residents,
As we head into winter, it's a great time to reflect on how much we've accomplished together and all that's still to come. From staff accomplishments to community input to park improvements, we have a lot to celebrate.

We're proud to recognize Mike Gasparini from our Parks Department, who recently earned his Certified Arborist certification. His continued education and expertise will be a great asset as we continue to plant and maintain trees throughout our parks.

We enjoyed hearing ideas directly from residents at our first Park Tank event! We plan to offer this opportunity quarterly, giving our community a regular forum to share ideas, provide feedback, and connect with the Park District.

Several projects have been completed, including repairs to the bridge at Cornerstone Lakes Park, a new playground at Pioneer Park, and the addition of the Memorial and Sensory Garden at Reed-Keppler Park, which was funded by our friends at the West Chicago Parks Foundation.

We've also begun ongoing maintenance improvements to the soccer fields at Cornerstone Lakes Park. New soccer fields were seeded at Kress Creek Farms Park this fall. Once established, they'll provide additional playing space for our community.

Finally, we are grateful to have received a grant from the Winfield Township Mental Health Board for new outdoor fitness equipment at Pioneer Park, expanding and improving the current fitness area.

We hope you'll join us for the North Pole Adventure, Grinchmas Gathering, Candy Land Carnival, or any of the great programs we have planned for you this winter. Thank you for supporting our Park District and helping make our community a great place to live, play, and grow!
