A Message from Our Director

Dear Residents,

Fall is here, and we're heading into what I consider the most wonderful time of the year—Halloween season! I always look forward to the fun and excitement our fall events bring to the community. Whether you're enjoying family-friendly fun at Boo Bash in costume or braving the thrills and chills of Spooky Trail, there's plenty of Halloween excitement waiting for everyone.

These events would not be possible without the support of our incredible volunteers. Their time, energy, and creativity help make these experiences memorable. If you're interested in getting involved, we'd love to have you!

Over the summer, we continued investing in our parks by planting 46 trees throughout the community. We are excited to see the native seeds at Kress Creek beginning to take shape and create a thriving environment for pollinators as part of our commitment to pollinator conservation. We've also started making gradual improvements to the soccer fields at Cornerstone Lakes Park to enhance the player experience.

As part of our ongoing capital improvement efforts, a playground replacement is planned for Pioneer Park. We hope families will enjoy exploring the new space coming soon. Looking ahead, we will also be replacing the filtration system at Turtle Splash Water Park during the off-season to ensure the facility continues operating safely and efficiently.

We're excited to introduce a new initiative this fall: Park Tank!

This is a "Shark Tank"-inspired opportunity for residents to pitch ideas, programs, and improvements directly to our team. We invite you to share your ideas and help shape the future of your Park District. (See page 4 for details!)

We hope you enjoy all the beauty and fun of fall, and we look forward to seeing you in our programs, at our parks, and throughout the community this season.
