A Message from Our Director

Dear Residents,

Spring is here and at the Park District, we're celebrating in color!

As the days grow brighter and warmer, we are excited to welcome you to a colorful mix of events and opportunities designed to bring our community together this spring.

Our second annual Candy Land Carnival brings bold colors, laughter, and classic carnival fun for kids, while the Flashlight Egg Hunt lights up the park with excitement and adventure. We'll also be adding splashes of color with the Cinco de Mayo Color Crawl, a day of celebration, movement, and culture.

Beyond our special events, we invite you to get out and enjoy our parks in bloom. From beautiful flowers to the natural beauty of our open spaces, there is so much to explore! After planting 100lbs of native seed at Kress Creek Farms Park last year, we look forward to watching it flourish in the years ahead. There's no better time to reconnect with nature and those around you.

As we gear up for a fun-filled summer, we're also hiring seasonal staff for Turtle Splash Water Park and Summer Camp. These positions are a wonderful opportunity to gain experience, build skills and be part of a team that brings unforgettable summer fun and energy to our community.

We look forward to welcoming you and your family to enjoy all the color, fun and memorable moments we have in store for you this spring!

With warm regards and best wishes,

Gina Radun
