A Message from Our Director

Dear Residents,

Summer is in full swing, and our community is buzzing with activity! It's exciting to see our parks, playgrounds, programs, and pool full of families, friends, and neighbors enjoying all our Park District has to offer.

We're looking forward to another season of community events, including our annual Taco & Art Fest and the Middle School Pool Party. Our Park Explorers program will also continue, bringing activities and games directly to neighborhood parks. These are just a few fun ways to get outside, connect with neighbors, and celebrate summer together.

Several capital improvements are underway, reflecting our commitment to providing high-quality spaces for residents to enjoy. Projects include replacing Tortuga, the turtle structure atop the waterfall; renovating the Central Pavilion; and installing a new playground at Pioneer Park. We are also working with our Parks Foundation to create a Memorial Sensory Garden at Reed-Keppler, and through a grant from the Morton Arboretum, 45 additional trees will be planted, adding beauty, shade, and environmental benefits for years to come.

Finally, our Turtle Splash team received the *Outstanding Operational Distinction Award* from StarGuard Elite, recognizing excellence in safety, training, and operations. With safety as our top priority, Turtle Splash continues to be a welcoming spot for families to cool off and have fun all summer long.

Thank you for being part of such an active, supportive community. We look forward to seeing you out and about this summer!

With warm regards and best wishes,

Gina Radun

Keppler Learning Center Ages 3-5

Our early learning program, Keppler Learning Center, is designed to give children the tools and experiences necessary to assure a positive transition to Kindergarten. We offer a nurturing and friendly environment where children can explore, create, and flourish. Socialization skills and independence are developed through a variety of daily skills and exercises.

Our philosophy is that all children learn through hands-on experiences, exploration, and positive interactions with others. Every child is unique and will develop at their own pace. Keppler Learning Center fosters an environment that will help all children succeed emotionally, physically, and socially.

KLC runs from September 9, 2026 through May 26, 2027.

Registration is accepted throughout this time as space allows. (PS)
