

BEFORE & AFTER SCHOOL PROGRAM

Parent-Participant Handbook 2023-2024

Welcome to the West Chicago Park District!

Our programs strive to encourage children in K to 5th grade to laugh, make friends and be active every day. We understand how hectic being a parent these days can be and with that in mind, we are here to offer your child a Before & After School experience they won't forget! You can be confident your child is in a nurturing environment and being given the opportunity to explore new adventures. We strive to create and foster positive experiences through play, exciting activities, and brain breaks.

Our staff are positive role models whose primary goal is to make each day a special one! Staff spend time getting to know each child and will always encourage and be supportive. You can be assured your child/ren are being cared for by fun, interactive staff. You can expect your child to make more friends, have more fun, and spend most of the time smiling in the Before & After School Programs.

If at any time you have any questions, comments, or concerns about our program, activities, policies, or personnel please feel free to contact Pam Schiavoni, Recreation Supervisor, at pschiavoni@we-goparks.org or 630-231-9474.

Schedule Changes

We understand conflicts arise from our hectic schedules! Any desired changes to an existing schedule should be communicated to the Recreation Supervisor at least 2 weeks in advance.

Dispensing Medication

Strict standards have been put in place regarding the dispensing of medication to participants, including cough drops, vitamins, pain relievers, and over the counter or prescription drugs. If your child uses medication that is stored in a school nurse's office, you will need to provide additional medication to the Before and After School Program as we do not have access to that medication. Parents/Guardians are required to complete the West Chicago Park District Dispensing of Medication Procedures form for all medication to be administered to participants by park district staff or by the participant himself or herself.

Snacks and Drinks

Before & After School Program participants will be encouraged to bring an afternoon nut-free snack with them to the program. Please make sure that your child(ren) can open their snack on their own or consider opening it for them and placing it in a container that the participant can open.

Late Pick-Up

If you are unable to pick up your child(ren) by 6pm, a late pick-up fee of \$20 will immediately be applied to your account, and an additional \$1 per minute will be charged. If running late, please be courteous of our staff's schedules and call the site phone immediately to notify them.

Absence

If your child(ren) will be absent from the Before or After School Program, please call or text the designated site cell phone or contact the Recreation Supervisor. In addition, please be sure to contact your child's school to notify them of the change in schedule.

COVID-19 Protocols

The West Chicago Park District is following guidelines and safety protocols from the Illinois Department of Commerce & Economic Opportunity (DCEO), Illinois Department of Public Health (IDPH), Centers for Disease Control & Prevention (CDC), Illinois State Board of Education (ISBE) and Park District Risk Management Agency (PDRMA) to minimize the risk to participants and our staff.

Participant Expectations

- Participants must be able to follow and comply with established behavior guidelines, code of conduct, and staff directions without physical intervention.
- Participants must be independent in managing personal care, such as: toileting, feeding, personal hygiene, and handwashing.

Sick Child

The West Chicago Park District will continue to strictly enforce our “sick child” policy. If your child is experiencing a symptom of COVI-19 or another illness, please do not bring them to the Before & After School Program.

- A sick participant should stay home until they have had no fever for at least 24 hours without the use of fever reducing medicine and other symptoms have improved,
OR
- In the case of COVID, Until they have had a negative COVID-19 test and quarantined for 5 days.
OR
- Until they have received a note from their doctor clearing them to return to the program.

The West Chicago Park District and their staff will maintain confidentiality regarding any sick child.

If a child becomes sick during the program, the parent or guardian will be notified to pick up the child immediately.

Disinfectant and Cleaning Guidelines

Cleaning and disinfecting of premises will be conducted in compliance with CDC protocols. West Chicago Park District and school maintenance staff will clean and disinfect common areas and surfaces.

WDSRA Inclusion Support

The West Chicago Park District will continue to work cooperatively with WDSRA to provide Inclusion support for participants who register and request 1:1 support. Please contact the Recreation Supervisor if you feel your child would benefit from this additional support. WDSRA will also continue to provide training and guidance for the West Chicago Park District staff.

Discipline

It is the belief of the West Chicago Park District that discipline should only be used when children are a threat to themselves or others. Methods used to encourage appropriate behavior include positive reinforcement and removal from the group for a short period of time. Parents will be notified of any behavior problems. A meeting will take place with the parents and program manager after repeated incidents. If behavior is seriously affecting the program or the safety of others, parents may be asked to make other arrangements.

Behavior Guidelines and Discipline and Zero Tolerance Behaviors

It is the belief of the West Chicago Park District that discipline should only be used when children are a threat to themselves or others. Methods used to encourage appropriate behavior include positive reinforcement and removal from the group for a short period of time. Parents will be notified of any behavior problems. A meeting will take place with the parent(s) and Recreation Supervisor after repeated incidents. If behavior is seriously affecting the Before/After Care program or the safety of others, parents may be asked to make alternate childcare arrangements.

If a child physically or verbally abuses a staff member or another participant, the child's parent(s) will be called immediately, and the child will need to be picked up and will serve an immediate suspension from the program.

For the safety of participants and staff, the West Chicago Park District will take a "zero tolerance" standpoint on the following behaviors:

- Any Negative Physical Contact (hitting, biting, spitting, etc.)
- Stealing
- Intentionally Destroying Park District Property
- Entering Restricted Areas
- Disrespect Towards Staff
- Foul or Abusive Language
- Bullying
- Bringing Weapons (Real or Fake) to our program
- Eloping

We understand that it may be difficult for participants to get used to the new expectations. To assist participants staff will give verbal reminders throughout the day and when giving activity directions to assist participants in staying safe.

Should a participant continually demonstrate that he/she cannot meet an expectation, even with helpful reminders the participant will receive verbal warnings and a write-up. Parents will be notified of any warnings or write-ups on the day that they occur.

1st Warning-Staff will speak to the participant regarding the importance of our expectations and find ways to assist the child in meeting the expectation.

2nd Warning- Staff will notify the parents that this is the 2nd warning their child is having regarding said expectation and what staff has tried to assist the child. Parents will be reminded of the importance of all children being able to meet these expectations to maintain a safe environment for all.

3rd Warning- The participant will receive a write-up. Parents will be notified that they will need to meet with the Recreation Supervisor and/or Superintendent of Recreation to discuss whether the participant is able to meet our expectations and continue to participate in the program. Staff will communicate verbally and in writing with the parents regarding all warnings and/or a write-up that occur on the day that they occur.
